## Certificate of Conformance

---

Equipment Type: Pipe Cone for supporting 2" – 8" pipes or 2 3/8" – 8 5/8" tubular

Drawing Number/Model: 10150-01

Unit Number and S/N: N/A

Rated Capacity: 1,650lbs for supporting 2" Pipe or tubular OD 2 3/8"  
2,250lbs for supporting 8" pipe or tubular OD 8 5/8"

Date of Certification: April, 2013

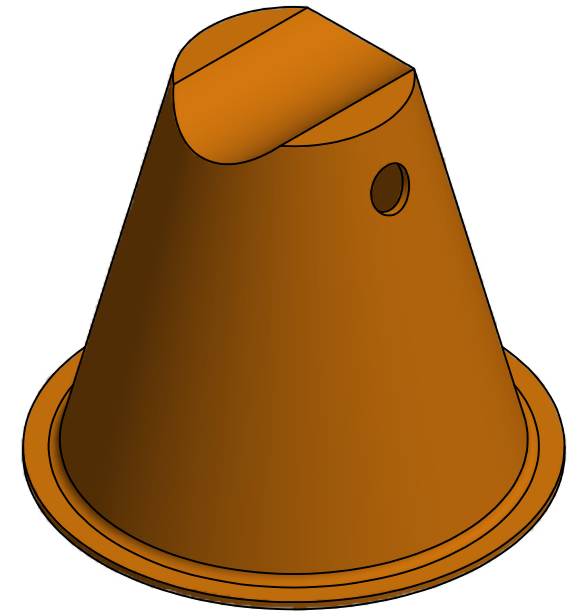

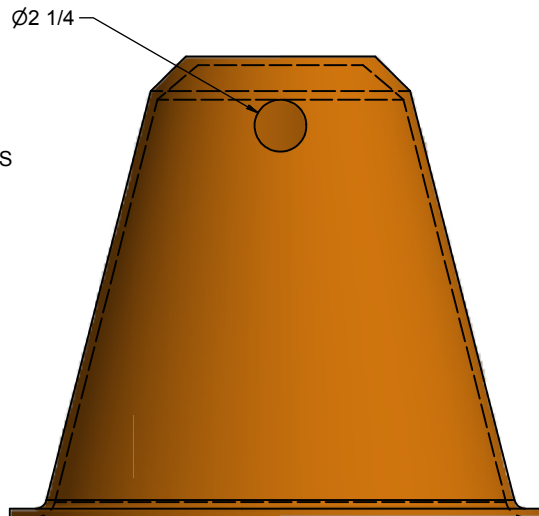

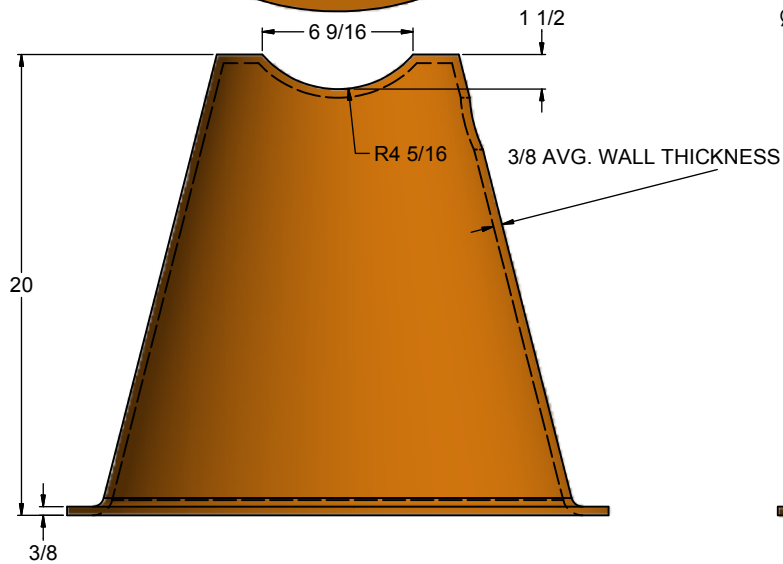

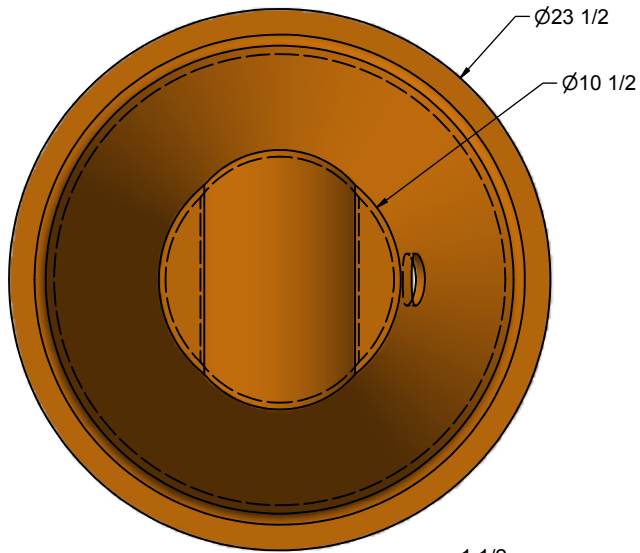

Manufacturer: Predator Plastics Inc

This is to certify that the pipe cone (drawing is attached) has been tested by Predator Plastics in their Drayton Valley's facility. Cantech has reviewed the testing procedures and results. It is our opinion that the above product is safe to use under the rated capacity stated above.
